## YEAR 1 BOOKLIST 2022

Dear Parents and Carers,

Please find attached your child's 2022 booklist. This means parents are responsible for sourcing the items on this booklist. This will allow you to sort through your child's 2021 supplies to see what items can be reused or what spare items you can use.

Remote and Flexible Learning during 2021 resulted in limited workbook usage and you may find students bring some unused books home. You are able to use these as part of your 2022 booklist.

It is imperative in supporting your child's learning that they have access to all of the listed items. You will notice that there are some items where a particular brand is listed and we would encourage you to attempt purchasing the recommended brands.

Please label your child's supplies and send them to school with all items on the first day – Monday 31st January 2022. Supplies that are extra for the year will be safely stored by the class teacher.

Please see the attached Parent Payments document regarding curriculum contributions and other known learning costs for the year.

If you have any questions regarding booklists or the learning costs for 2022 please contact the office.

Kind regards

Mel Stewart and Ingrid Humm
